

Below I have broken down into steps exactly what you need to do

Step 1

First you need to register to the affiliate program by [clicking here](#) you will then see the following page:

Fill in your details and click Continue. You will be forwarded to PayPal but note that you do not have to become a member of HFN to become an affiliate.

If you come out at this point **your account will have been set up** although you will not have access to the High Flyers Network videos section.

Once this is done click on "My Account" and go in to collect your affiliate link which will have been generated for you.

Step 3

Next you need to click on the "**Get Affiliate Banners and Links**" link as shown in the image below...

...and then you will be presented with the **affiliate info** page that looks like this image below:

Affiliate info

You can use the following text links to advertise our website:

[Click here to visit High Flyers Network](#)

HTML code: `Click here to visit High Flyers Network`

[Back to Membership info page](#)

Now... where you can see the black arrows above - the 'code' in between is what you would add to a website or blog to produce the link above that says: **Click Here To Visit The High Flyers Network**

Step 4

If you are just looking for the affiliate link only to be able to email your list direct... then just copy EVERYTHING inside the "----"

So for example... in the image above between the arrows where it looks like this:

```
<a href="http://highflyersnetwork.com/amember/go.php?r=2&i=10">Click here to visit High Flyers Network</a>
```

...you'd **ONLY** need the **GREEN** section shown below **WITHOUT** the speech marks:

```
<a href="http://highflyersnetwork.com/amember/go.php?r=2&i=10">Click here to visit High Flyers Network</a>
```

So just this bit **ONLY**: <http://highflyersnetwork.com/amember/go.php?r=2&i=10>

Step 5

Remember to go to **"Update Payout Info"** and input your PayPal details. When the time comes we will know where to pay you.

Step 6

Now all you have to do is simply promote your affiliate link inside your email as shown in **step 4** or on your website or blog as in **step 3** and then **sit back and get paid!**

To YOUR forth coming success,
